

# Bridge Creek Public Schools

## LEARNER EXPECTATIONS

Bridge Creek Public Schools expect the graduates of 2025 and beyond to ...

- Communicate effectively
- Be critical thinkers
- Have a mastery of content knowledge
- Have organization skills
- Be collaborative and use conflict resolution
- Be creative
- Use technology
- Have financial skills
- Exhibit soft skills such as leadership, responsibility, and respect
- Be a productive, contributing citizen

These expectations will create students who are college and career ready able to locate and use information and languages in a global society.
