Dear Bobcat Nation,

On September 14, 2022, The Bridge Creek Board of Education will act on the approval the ACT as the test that all Juniors will take for the College and Career Ready assessment as required by the State Department of Education. As pursuant to this rule BCPS must notify the public and allow for comments.

If your student requires consultation on the impact of this assessment on their career path please contact Bridge Creek High School for these services.

The choice of the ACT does not impact our current curriculum. Our standards are aligned with the current ACT standards, which provides continuity across disciplines.

If you have comments about our choice of the ACT as the CCR assessment, please contact David Morrow, Superintendent with any and all comments. Mr. Morrow can be reached at 405-387-4880 or by email at dmorrow@bridgecreek.k12.ok.us.

Sincerely,

David Morrow
Superintendent
